MEMORANDUM OF UNDERSTANDING
Between
The Central Marin Fire Authority
And
International Association of Firefighters
Local 1775
(Battalion Chiefs Association)

July 1, 2021 through June 30, 2025

This Memorandum of Understanding is entered into pursuant to the provisions of Section 3500, et seq of the Government Code of the State of California.

The parties have met and conferred in good faith regarding wages, hours and other terms and conditions of employment for the employees in said representation unit, and have freely exchanged information, opinions and proposals and have endeavored to reach agreement on all matters relating to the employment conditions and employer-employee relations of such employees.

This Memorandum of Understanding shall be presented to the Central Marin Fire Council as the joint recommendation of the undersigned parties for salary and employee benefit adjustments for the period commencing July 1, 2021 through June 30, 2025.

As used throughout this Memorandum of Understanding, the pronoun designation "he" or "his" is intended to be applicable to both the male and female gender.

SECTION 1. **RECOGNITION**

1.1 Union/Association Recognition

The Central Marin Battalion Chief Association, hereinafter referred to as the "Association," is represented by the International Association of Fire Fighters, Local 1775, (or the International Association of Fire Fighters, Local 1775 hereinafter referred to as the "Union"), is the exclusively recognized employee organization for the Fire Unit, comprised of those classifications listed in Section 8.2 – 8.5 Salary Range.

1.2 Management Recognition

The Fire Chief, or any person or organization duly authorized by the Executive Manager of the Central Marin Fire Authority, as the representative of the Central Marin Fire Authority in employer-employee relations.

SECTION 2. ORGANIZATION SECURITY

2.1 Dues Deduction

Payroll deductions for membership dues shall be granted by the Authority only to the Association. The following procedures shall be observed in the withholding of employee earnings:

- (a) Payroll deductions shall be for a specified amount and uniform as between employee members of the Association and shall not include fines, fees and/or assessments. Dues deduction shall be made only upon the employee's written authorization.
- (b) Authorization or cancellation of payroll deduction shall be made upon forms provided or approved by the Authority. The voluntary payroll deduction authorization shall remain in effect until employment with the Agency is terminated or until canceled by the employee by written notice to the Fire Chief. Employees may authorize dues deductions only for the organization certified as the recognized employee organization of the unit to which such employees are assigned.
- (c) The Association shall notify the Authority in writing of the amount to be deducted from the employees who have provided written authorization for dues deduction to the Authority. The Association shall give the Authority ninety (90) day advance notice of any changes in the amount to be deducted from eligible employees.
- (d) Amounts deducted and withheld by the Authority shall be transmitted to the officer designated in writing by the Association as the person authorized to receive such funds, at the address specified.

- (e) The employee's earnings must be sufficient, after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the Authority which would have been withheld if the employee had been in a pay status during that period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other required deductions have priority over the employee organization deduction.
- (f) The Association shall refund to the Authority any amounts paid to it in error upon presentation of supporting evidence. The Authority agrees to meet and confer with the Association if any of the provisions in this section are adversely affected by any legislation enacted within the lifetime of this agreement.
- (g) The Association shall defend, indemnify and save the Authority harmless against any and all claims, demands, suits, orders, judgments or other forms of liability that shall arise out of or by reason of, action taken or not taken by the Authority under this section. This includes not only the Authority's attorney fees and costs but the cost of management preparation time as well. The Authority shall notify the Association of such costs on a case-by-case basis.

SECTION 3. DISCRIMINATION

No person shall be employed, promoted, demoted or discharged, or in any way favored or discriminated against because any basis prohibited by state or federal law, or because of the exercise of his rights under Section 3502 of the Government Code.

Except for claims brought by the Association for discrimination or retaliation for associational activity or for a violation of rights under Government Code section 3502, violations of this section shall not be grievable under the parties' grievance procedure.

SECTION 4. PROBATIONARY PERIOD

4.1 Duration

All original and promotional appointments shall be tentative and subject to a probationary period of one (1) year (12 months) actual service (time in a non-paid

status, or on leave such as injury leave shall not count as part of the 12-month actual service time). Individual probationary periods may be extended with good cause upon request of the Fire Chief and concurrence of the Executive Manager; provided, however that no probationary period shall exceed eighteen (18) months' time in a non-paid status, or on leave such as injury leave shall not count as part of the 18-month maximum probationary period).

During the original probationary period, an employee may be terminated at any time by the appointing power without the right of appeal in any manner except as mandated by State or Federal law. Notification of termination in writing shall be served on the probationer and a copy filed with the Executive Manager.

4.2 Promotional Probation

An employee who has previously completed the requisite probationary period and who is rejected during a subsequent probationary period for a promotional appointment shall be reinstated to the former position from which the employee was appointed.

SECTION 5. DISCIPLINARY ACTION

5.1 Definitions

Probationary employees may be terminated at any time without just cause except as mandated by Federal or State law.

5.2 Causes for Disciplinary Action

The Authority shall have the right to discharge or discipline any employee for dishonesty, insubordination, drunkenness, incompetence, negligence, failure to perform work as required or to observe the Authority's safety rules and regulations or for engaging in strikes, individual or group slowdowns or work stoppages, or for violating or ordering the violation of the Memorandum of Understanding.

The Authority may also discipline or discharge an employee for other misconduct, including, but not limited to, the following:

- (q) Insubordination.
- (r) Other acts inimical to the public service.
- (s) Inability or refusal to provide medical statement on cause of illness or disability, in accordance with section 11.3

5.3 Pre-Disciplinary (Skelly) Process

Prior to the reprimand, discharge, demotion, reduction in salary for disciplinary purposes of suspension without pay of any regular employee, the following procedures shall apply:

- (a) Written Notice of Proposed Discipline. Written notice of the proposed disciplinary action shall be given to the employee. Such notice shall include a statement of the reason(s) for the proposed action and the charge(s) being considered.
- (b) Employee Review. The employee also shall be given the opportunity to review the documents or materials upon which the proposed disciplinary action is based, and, if practicable, he or she shall be supplied with a copy of all such documents/materials.
- (c) Employee Response (Skelly Hearing). Within five (5) working days after service/receipt of the notice of proposed discipline, the employee shall have the right to respond, orally or in writing or both, to the Fire

Chief (or the Chief's designee) who thereafter shall conduct a *Skelly* hearing and then issue a final notice of discipline or other appropriate disposition. The five (5) day time limit during which the employee must request a *Skelly* hearing may be extended by mutual agreement.

5.4 Appeal Process

Whenever punitive action is undertaken against an employee, he or she shall have the right to an administrative appeal which will be conducted in conformance with this Memorandum of Understanding and Government Code Section 3254.5(b). Such an appeal must be requested in writing from the Executive Manager or his or her designee by the employee within fourteen (14) calendar days from the date of service of the notice of final discipline, and unless so filed the right of appeal is waived/lost.

The employee may elect to have his or her appeal heard by the Executive Manager or may request arbitration. If an employee elects to have an appeal heard by the Executive Manager, the employee must state in writing that he or she waives his or her right to arbitration.

If arbitration is requested, the arbitration will be held in conformance with applicable statutes. Representatives of the Authority and the employee shall meet within fourteen (14) days to select a mutually-acceptable arbitrator. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the employee and the Authority.

A hearing before the arbitrator shall be held within 60 days of the selection of the arbitrator unless the mutually-accepted arbitrator's schedule does not so permit, in which case the hearing shall be held not more than 120 days after the selection of the arbitrator. Decisions of the Arbitrator on matters properly before him or her shall be final and binding on the parties hereto, subject to the limited challenges permitted by law.

In addition to arbitrators proposed by the State Mediation and Conciliation Service, the parties shall be free to select from a pool of arbitrators mutually-agreed to by the Authority and the Association. The parties shall continue to meet and confer, after adoption of this MOU, on a mutually-agreeable panel of arbitrators. Once agreed to, the panel shall be identified by a side letter to this MOU.

SECTION 6. UNIFORM ALLOWANCE

The Authority shall maintain and replace worn or damaged article(s) of the Department required uniform.

Damaged and/or worn article(s) of a uniform which condition is a result of

performance of duties while on the job shall be turned in to the Fire Chief or his/her designee, who shall determine if the article warrants replacement. This benefit qualifies as "pensionable compensation" for classic employees in the amount of Twenty-nine dollars and seventeen cents (\$29.17) per month.

Articles of uniform provided by the Authority shall remain the property of the Authority and shall be turned into the Fire Chief or his/her designee, when replaced in kind or when the employee retires or terminates his/her employment with the Authority for any reason. Articles of uniform purchased by the employee shall remain the property of the employee.

In addition to the Authority providing the designated uniform articles, employees shall be entitled to a uniform allowance of Thirty dollars and eighty-three cents (\$30.83) per month. The uniform allowance shall be used to maintain addition required items that are not provided by the Authority and are required by the rules and regulations of the Authority. Replacement of such required uniform equipment thereafter shall be the responsibility of the employees. Examples of these items include approved department T-shirts, PT gear, job shirt, ball caps, jackets, exercise apparel etc.

Overtime deemed compensable by the Fire Chief shall be compensated at the one and one-half (1-1/2) times the straight-time rate based upon the regular monthly salary. The smallest unit of working time credited as overtime shall be one-half (1/2) hour, provided that when an employee is called back beyond the normal working day, the smallest unit of overtime credited shall be one (1) hour. Fractions of one-half (1/2) hour worked at different times may not be added together for the purpose of computing overtime worked.

- The first Monday in September known as "Labor Day"

- The fourth Thursday in November, known as "Thanksgiving Day"

For employees, other than "Shift Personnel" - Columbus Day and Lincoln's Birthday shall be considered floating holidays and may be taken off on the date of the holiday or subsequent to the date of the holiday (i.e., the second Monday in October and February 12 respectively) with prior approval of the Fire Chief. Such floating holidays must be taken during the fiscal year in which the holiday was earned and if not taken, shall be forfeited. Employees must be in a pay status at the time the Columbus Day and Lincoln's Birthday holidays occur in order to have earned such holidays.

10.3 Holidays on Saturday or Sunday

When a holiday falls on Sunday, the following Monday shall be observed. When a holiday falls on Saturday, the previous Friday shall be observed.

10.4 "Holiday Pay"

Regular or probationary full-time employees, other than "Shift Personnel," who are required to work on any of the holidays specified in Sub-Section 11.1 shall receive additional pay above their normal hourly wage. "Holiday pay" shall only be paid for hours actually worked on such holidays.

10.5 "Holiday-In-Lieu Pay" for "Shift Personnel"

"Shift Personnel" assigned to the duty cycles specified in Sub-Section 11.1 are not eligible for holiday leave. In lieu of time off for holidays, "Shift Personnel" shall receive "holiday-in-lieu pay." The "holiday-in-lieu pay" shall be thirteen (13) twelve-hour days per year at straight time (13 x 12 = 156 straight time hours). Such pay shall be received in the amount of six (6) hours of straight time pay with each regular bi-weekly paycheck.

SECTION 11. SICK LEAVE

11.1 Accrual

Sick leave shall be accrued in accordance with the schedule below:

Sick Leave Accumulation

Shift Personnel	5.54 hours bi-weekly
Non-Shift Personnel	3.70 hour's bi-weekly

11.2 Accumulation

Sick leave accrual is unlimited. An employee who is off on sick leave shall continue to accumulate earned sick leave while using his/her previously earned sick leave. An employee who is on leave without pay shall not accumulate sick leave credits. In no event shall sick leave benefits be convertible to cash bonus.

11.3 Usage

Sick leave credit shall not be considered as a privilege which an employee may use at his discretion, but shall be allowed only in case of necessity and actual sickness or disability. In order to receive compensation while absent on sick leave, an employee shall notify the Battalion Chief on duty prior to the beginning of the shift from which the employee will be absent. If the contact is not personal, then sick leave is only approved by conformation from the Battalion Chief. The employee will inform the Battalion Chief of the potential duration of his/her illness.

The Authority reserves the right, if an absence is in excess of 48 hours, to request physician verification of illness.

11.4 Sick Leave While on Vacation

If an employee becomes ill or injured while on vacation, he may use sick leave in lieu of vacation. Use of sick leave, while on vacation, will be approved for the same reasons that would have justified sick leave had the employee been at work, including notification to the Battalion Chief on duty on the date of illness or injury.

SECTION 12. EDUCATION

The Education Committee will consist of two (2) management representatives and two (2) bargaining unit employee representatives. The committee shall assist with the creation and development of promotional criteria and act as the Joint Apprenticeship Committee. The committee may receive additional items to be addressed from the Fire Chief.

SECTION 13. ACTING PAY

The Authority may evaluate the dental plan currently available to employees to determine if similar or better coverage may be available at lower cost to the Authority. The Authority may substitute new insurance carriers or arrange for self-insurance provided that the overall coverage is equal to or superior to the present coverage and provided that the Authority meets with the Association to discuss any new plan before it is implemented.

The Authority will make available a supplemental dental fund. This fund will be used to reimburse an employee up to \$500 per year, for dental expenses incurred by a full-time employee, once the employee has reached the annual maximum provided for in the insured, primary dental plan. This supplemental plan is available only for expenses incurred by the employee, not his/her dependents.

Such premiums will be paid for at the retiree's expense.

(c) PEMHCA Compliance

For all retirees enrolled in a CalPERS PEMHCA health plan, the Authority's contribution described above includes the minimum employer contribution amount legally mandated under PEMHCA. Any benefit beyond the annually adjusted minimum employer contribution shall be delivered as a medical premium reimbursement via an IRS section 115 compliant vehicle. In no event shall the combined minimum employer contribution and the IRS Section 115

reimbursement exceed the actual premium associated with the medical plan selected by the eligible retiree.

15.5 Retirement Health Savings Account Supplemental Program

The Authority will establish a Retirement Health Savings (RHS) account for the IAFF represented bargaining unit per the ICMA model and pertinent IRS regulations. All bargaining unit employees must participate in the program. The RHS accounts will be funded as follows:

Employee Contributions: Employees with unused vacation accumulated balances at the end of any calendar year must contribute such unused vacation to the RHS plan, in an amount not to exceed forty-eight hours of vacation leave at the employee's current straight time hourly rate. Employee contributions to the RHS plan are vested immediately.

Employer Contributions: There shall be no employer contributions to the RHS plan described in this section.

15.6 Change in Employee Benefit Plans

The Authority intends to evaluate the medical and dental plans currently available to employees to determine if similar or better coverage may be available at lower cost to the Authority. The Authority may substitute new insurance carriers or arrange for self-insurance provided that the overall coverage is equal to or superior to the present coverage and is acceptable to the Association.

SECTION 16. GRIEVANCE PROCEDURE

The application of this Section will not apply to the discipline of employees. Disputes arising from the remaining Sections of this Memorandum of Understanding between the Authority and the employee organization regarding the application or interpretation of this Memorandum of Understanding and Department Policy and Procedures shall be considered a grievance.

16.1 Step 1

An employee may present the grievance orally, either personally or through his Association representative, to the immediate supervisor within ten (10) calendar days following the event or events on which the grievance is based. The immediate supervisor shall make whatever investigation is necessary to obtain the facts pertaining to the grievance. Within ten (10) calendar days after receiving the oral grievance, the immediate supervisor shall give the employee a reply. If the employee is not satisfied with the reply of his immediate supervisor the employee may appeal the grievance to Step 2.

16.2 Step 2

If the employee desires to appeal the grievance to Step 2, the grievance shall be reduced to writing, on forms provided, and presented to the Fire Chief or the

Acting Chief within ten (10) calendar days following the receipt of the immediate supervisor's oral reply. The Fire Chief may refer the grievance to the appropriate supervisor.

The written grievance shall contain a complete statement of the grievance, the alleged facts upon which the grievance is based, the reason for the appeal, the remedy requested, and the Sections of the Memorandum of Understanding claimed to have been violated, if any. The grievance shall be signed and dated by the employee. The Fire Chief, or the appropriate supervisor to whom the grievance has been referred, may arrange a meeting between himself, the employee, the appropriate Association representative and the immediate supervisor in an attempt to resolve the grievance. In any event the Fire Chief, or his designated representative, shall give a written decision to the employee within ten (10) calendar days following receipt of the written appeal to Step 2.

16.3 Step 3

If the Association desires to appeal the grievance to Step 3, the Association shall complete the appropriate appeal section of the grievance form, sign the appeal, and present the grievance to the Executive Manager within fifteen (15) calendar days following receipt of the written decision from Step 2. Within five (5) calendar days after the receipt of the appeal to Step 3, the Executive Manager shall hold a meeting with the appropriate Association representative, and the Fire Chief or the appropriate supervisor to discuss the matter. A written decision shall be given to the appropriate Association representative within fifteen (15) calendar days following the meeting.

If the employee is not satisfied with the decision of the Executive Manager, the Association may appeal their grievance to Step 4.

16.4 Step 4

If the grievance has been properly processed through the previous steps of the procedure and not resolved, the Association may appeal the grievance to arbitration. The Association shall notify the Executive Manager in writing within twenty (20) calendar days following receipt of the written answer to Step 3. Within twenty (20) calendar days following the receipt of the notice of appeal to Step 4, a meeting shall be arranged by the Executive Manager with the appropriate Association representative to prepare a joint statement of the issue or issues to be presented to the Arbitrator. If the parties are unable to agree upon the issue or issues, each party will prepare its statement of the issue or issues and jointly submit the separate statements of issue or issues to the Arbitrator for determination.

The parties may mutually agree upon the selection of the Arbitrator or shall jointly request the American Arbitration Association to provide a list of seven (7) persons qualified to act as Arbitrators. Within five (5) calendar days following receipt of the above-referenced list, the parties shall meet to select the Arbitrator. The right to strike the first name shall be determined by lot and the parties shall alternately strike one (1) name from the list until only one (1) name remains, and that person shall be the Arbitrator.

The Arbitrator shall hold a hearing on the issue or issues submitted, or as determined by the Arbitrator if the parties have not mutually agreed upon the issue or issues, and render a written opinion and reasons for the opinion as soon after the hearing as possible.

The opinion shall be sent to the Executive Manager and to the employee or appropriate representative of the Association. The Executive Manager shall present the opinion to the Central Marin Fire Council at its next regular session. The Central Marin Fire Council shall render a final decision by adopting, rejecting or modifying the decision of the Arbitrator. The Central Marin Fire Council shall serve the decision upon the grievant within five (5) calendar days of the decision.

The Authority and the employee and/or Association shall equally share the fees and expenses of the Arbitrator as well as the cost of making a record of the arbitration. Each party shall bear its attorney's fees.

The rules of conduct of proceedings shall be according to those procedures for expedited fact-finding utilized by the American Arbitration Association.

Witnesses who are employees and who are on duty at the time of a scheduled appearance shall be released from duty without loss of compensation for the time required to testify. Individual grievants shall be released from duty without loss of pay for the time of the arbitration hearing. One spokesperson shall be permitted to be present without loss of compensation for grievances filed by the Association.

Arrangements for release time for grievant's witnesses shall, whenever possible, be made with the Fire Chief no later than twenty-four (24) hours in advance of the scheduled hearing.

The parties agree that the Arbitrator shall not add to, subtract from, change or modify any provision of this Memorandum of Understanding and shall be authorized only to apply existing provisions of this Memorandum of Understanding to the specific facts involved and to interpret only applicable provisions of this Memorandum of Understanding.

The parties agree that the time limits set forth herein are of the essence to this procedure and are to be strictly complied with. Time limits may be extended only by written mutual agreement of the parties.

16.5 General Provisions

Although grievances may be processed during normally scheduled working hours, the Association agrees that the time spent by its designated representatives shall be kept to a reasonable minimum and that no Association representative shall be entitled to any additional compensation or premium pay for any time spent in processing grievances outside such representative's regularly scheduled hours. The Association also agrees that it will not process grievances during periods of overtime.

Any grievance not filed or appealed within the time limits specified shall be considered settled on the basis of the last disposition given. In the event the grievance is not answered within the time limits set forth herein, either the employee or the appropriate Association representative may appeal the grievance to the next higher step within the time limits provided.

Any of the time limits specified in Steps 1 through 3 may be extended by written mutual agreement of the parties.

No resolution of any grievance, as defined in this Section 16, shall be contrary to the provisions of this Memorandum of Understanding. Copies of the resolution of all grievances shall be sent to the appropriate Association representative.

It is understood and agreed that whenever a provision of this Section refers to an employee filing a grievance, the employee organization may file such grievance whether on the employee's behalf or on behalf of the employee organization. In such event the processing of the grievance shall comply with all other provisions of the grievance procedure Article.

SECTION 17. REDUCTION IN FORCE

17.1 Layoff

At least ten (10) working days prior to the effective day of the layoff, the Fire Chief shall notify the employees affected in writing. Layoff shall be made within the classes of positions and all temporary employees in the affected classifications shall be laid off prior to layoff of any probationary or permanent employees. For the purpose of determining order of layoff, total cumulative time shall include time served in military leave of absence.

An employee laid off shall have the right to displace the employee in the same classification having the least seniority; provided, however, there is

no other employee in the classification of the laid-off employee with less seniority. The laid-off employee may take a voluntary demotion to a classification in which such employee had prior permanent status, thus displacing the employee working in that classification who has less seniority. Names of persons laid off shall be placed upon reemployment lists in order of total cumulative time served and shall remain on such list for a period of two (2) years unless re-employed sooner. Sick leave and seniority rights earned prior to layoff will be returned to the employee upon reemployment. Upon request of the employee, demotion may be made to a vacant position in place of layoff.

17.2 Abolition of Position

Whenever in the judgment of the Central Marin Fire Council it becomes necessary in the interest of economy, or because the necessity for a position no longer exists, the Central Marin Fire Council may abolish any position or employment in the competitive services; and the employee holding such position for employment may be laid off without taking disciplinary action and without right of appeal.

The Association may request in writing, to the Fire Chief, to meet and confer regarding the impacts of abolishment of a position

SECTION 18. BEREAVEMENT LEAVE

In case of death within the immediate family of an employee, an employee shall be entitled to remain absent from duty with pay for up to three (3) shifts, when necessary to attend the funeral or memorial services. Such leave must be approved in advance by the Fire Chief. "Immediate family" means spouse (or domestic partner registered according to California law) or parent, sibling, brother-in-law or sister-in-law of the employee, son, daughter, aunt, uncle, grandparents, grandchildren, niece or nephew of the employee or of the employee's spouse or registered domestic partner. For the purpose of this Agreement step-parents are considered parents if the employee had been raised by them.

Said bereavement leave is not to be charged to sick or vacation leave.

This provision does not apply unless the notification of death to the employee is received prior to the funeral. Upon request of an employee for an exception to the above, the Fire Chief or his/her designee may allow an exception.

SECTION 19. VACATION ENTITLEMENT

19.1 Shift BCs shall earn vacation in accordance with the following formula:

Number of Months	Number of shifts accrued annually	Vacation Accumulation Cap
0 to 60 months	6 shifts	400 hours
61 to 120 months	8 ½ shifts	400 hours
121 to 180 months	12 shifts	400 hours
181 or more months	13 shifts	400 hours

At the discretion of the Fire Chief or his/her designee, employees shall be allowed a reasonable number of splits of their vacation benefits. In addition, employees may use up to ninety-six (96) vacation hours in any one (1) year for emergency leave which is defined as a severe and personal emergency of the employee. Designation of vacation hours to be used for emergencies shall be selected in advance and are irrevocable.

19.2 Vacation Accumulation

Effective December 31, 2018, no employee shall be allowed to have an accumulation of more than 400 hours of vacation accrual to his/her credit at any one time unless prior special arrangements have been made with the Fire Chief and approved by the Executive Manager. An employee who is on vacation shall continue to accumulate vacation while using his/her previously earned vacation. An employee who is on leave without pay shall not accumulate vacation credits.

SECTION 20. LEAVES OF ABSENCE

20.1 Family Illness Leave

The Fire Chief may, upon written request of an employee, grant a leave of absence with pay in case an employee's presence is required elsewhere because of sickness or disability of members of his/her immediate family. Such family illness leave shall not exceed, for Non-Shift Personnel, six (6) days, or for Shift Personnel, three (3) 24-hour shifts per calendar year. In each such case the Fire Chief shall grant such leave in accordance with the family leave rights provided for under state and federal law. Such family illness leave shall be deducted from the employee's sick leave accumulation.

20.2 Personal Leave

The Fire Chief may, upon written request of an employee and due consideration of the circumstances, grant a leave of absence without pay. Upon expiration of an approved leave, the employee shall be returned to duty in an equivalent position and at the salary received at the time leave was granted.

Failure on the part of an employee on leave to report for duty at its expiration shall be cause for discharge. The time the employee is on a leave of absence without pay shall not be credited toward length of service in computing sick leave or vacation eligibility.

20.3 Jury Duty

In order to receive compensation while absent on jury duty, the employee shall notify his/her immediate superior in advance that he/she has been selected as a juror and the probable duration of the jury duty if known. Days of jury duty and all fees paid shall be verified by the court official responsible for issuing checks in payment of jury service.

20.4 Family Medical Leave Act

The Authority will comply with the Family and Medical Leave Act and the California Family Rights Act of 1993 (This section is not grievable).

An employee, at his/her discretion, may use accumulated sick leave and vacation subject to the requirements of the Sick Leave Section and the Vacation Section, while covered by the FMLA.

20.5 Wellness Program

With mutual agreement between the Authority and the Association, the Authority will provide routinely scheduled physical examinations of individual Firefighters and for special physical evaluations of individual Firefighters. These evaluations are conducted to identify opportunities for improved preventative maintenance, enhancing Firefighter physical fitness and to determine any physical impairments that might limit a Firefighter's ability to function properly. The results of these evaluations shall be confidential between the provider and the employee. The Authority shall only be entitled to aggregated data.

20.6 Physical Fitness

All shift personnel will participate in mandatory physical fitness/conditioning program; the intent of which is to provide employees with the opportunity to maintain and improve a constant level of physical fitness and conditioning which will better prepare them for the physical requirements of the job. Employees will be allowed up to one hour for participation in a physical fitness/conditioning program.

20.7 Administrative leave

It is the desire of the Central Marin Fire Authority to recognize the many additional hours of service its Battalion Chiefs provide through an Administrative Leave program.

- a) **Annual Allocation:** At the beginning of the fiscal year, employees in the Battalion Chiefs Unit shall be credited with the following to be used to compensate for additional work performed outside of the normal business day. (This allocation will be prorated for employment that begins after the start of the fiscal year.) Administrative leave may be taken as paid time off during the course of the fiscal year.

- (i) Battalion Chiefs assigned to a 56-hour/shift schedule: 5 shifts
 - (ii) Battalion Chiefs assigned to a 40-hour/week schedule: 80 hours or (10 days).
- b) **Expiration of Administrative Leave:** Administrative leave must be used during the fiscal year granted. For those employees who do not meet the following criteria, upon the issuance of the first paycheck in June:
- (i) remain employed in good standing with Central Marin Fire Authority,
 - (ii) and have used at least 5 working days of vacation leave during the current fiscal year (prior to June 1)
- c) **Direct Compensation for Administrative Leave:** No later than the last working day in May, employees who met or will meet the criteria in Paragraph 5(b) may notify the Fire Chief and/or Executive Manager of their desire to receive direct compensation for all or a portion of their administrative leave balances. Direct compensation shall be made on the first paycheck in June.
- d) **Deferred Compensation for Administrative Leave:** Following the first paycheck in June, remaining administrative leave balances shall be converted to deferred compensation and deposited into a Retiree Health Savings (RHS) account, a 457 account, or some combination of the two accounts administered by ICMA-RC/Mission Square. The program will be set-up and maintained in accordance with the guidelines of ICMA-RC/Mission Square.

SECTION 21. NO SMOKING

An applicant shall be disqualified for employment if said applicant has smoked tobacco within one (1) year preceding the date of the filing of an application for employment.

The use of tobacco products or the vaping of any substance shall be prohibited in all areas of the fire station and all apparatus or vehicles at all times. The use of tobacco products or the vaping of any substance shall also be prohibited during public education activities, scheduled department training, inspections and fire prevention activities.

SECTION 22. SHIFT TRADES

Battalion Chiefs may initiate any number of shift trades per year. Under special circumstances the Fire Chief may approve additional shift trades.

Shift trades are subject to the following conditions:

- (a) If any employee trading time off is advised, at least 48 hours prior to the shift, of the inability of the covering employee to work the traded time, said initiating employee is responsible to cover the traded time.
- (b) If a covering employee is injured on duty within forty-eight (48) hours of working on a traded shift and will be unable to work said shift, it will be his responsibility to cover same shift.
- (c) The responsibility to track and pay back shifts is the employee's; the Authority will pay the normally-scheduled employee, and maintains no other records and provides no enforcement of trade payback.

SECTION 23. EMT

All employees in the bargaining unit must, at a minimum, maintain an EMT Basic certification to be eligible for employment

SECTION 24. PARAMEDIC PROGRAM

On September 2, 2004, the Ross Valley Paramedic Authority (RVPA) approved a funding request by the Larkspur Fire Department to implement an Engine Company Paramedic Program. The funding does not increase daily staffing. It provides for differential pay, equipment and training coverage. Currently, the RVPA has authorized a total of up to seven Paramedics for the Larkspur Fire Department. As a result of the consolidation between Larkspur and Corte Madera Fire, a specific Firefighter Paramedic classification was created and Paramedic differential pay was incorporated into the base salary of the classification. Previous Paramedic differential pay was also considered in setting the salaries of other classifications.

The Authority shall utilize a Firefighter Paramedic classification for its paramedic programs. The Firefighter Paramedic Classification shall not receive a differential for

performing paramedic duties. The base salary for the Firefighter Paramedic Classification includes the appropriate compensation for paramedic duties.

Personnel serving as paramedics shall be expected to continuously maintain their Marin County paramedic accreditation. A paramedic may choose to no longer maintain accreditation and will therefore no longer receive a paramedic incentive pay. However, before discontinuing accreditation or if an employee wishes to no longer serve as a paramedic in the Authority, they must provide the Authority with advance notice. The Authority will then remove the employee from paramedic duty after a replacement has been secured.

The Authority will set as a minimum standard for paramedics the possession of current certificates for PALS or equivalent, PHTLS or equivalent and ACLS. It will be the individual responsibility of each paramedic to maintain these certifications and any others mandated by the State of California and/or the County of Marin. All such recertification's will be completed by each paramedic in a timely manner so that no portion of a certification or minimum standard lapses during the course of employment as a paramedic by the Central Marin Fire Authority.

It is recognized that the maintenance of professional competency is the responsibility of each paramedic. The Authority will allow each paramedic up to 48 hours of Continuing Education annually to maintain these skills. The use of these hours must be approved in advance by the Fire Chief or designee and will be tracked by calendar year. The paramedic will attend all Continuing Education classes on duty as required by the Battalion Chief. If necessary, as determined by the Battalion Chief, a replacement employee may be hired to ensure adequate attendance for certification or renewal. If the paramedic attends off duty Continuing Education Classes, that person will be compensated by the Authority at the overtime rate, for the amount of Continuing Education credits given for said class.

Employees who would receive a pay cut due to the elimination of educational incentive, shall be Y-rated until such time as a combination of the paramedic differential, step increases and/or salary increases would offset the reduction due to the elimination of their education incentive.

SECTION 25. MINIMUM STAFFING

The Central Marin Fire Department will provide 11 personnel (including the BC) each shift.

SECTION 26. PAST PRACTICES

It is understood and agreed that any benefits and or working conditions within the scope of representation presently in effect and not modified by this Memorandum of Understanding shall remain unchanged until the Authority and the Association meet and

confer pursuant to the provisions of the Government Code Section 3500, et seq and the Employer/Employee Relations Resolution concerning any proposed changes.

This Memorandum of Understanding shall supersede all existing memoranda of understanding between the Authority and the Association.

SECTION 27. **SEPARABILITY OF PROVISIONS**

In the event that any provision of this Memorandum of Understanding is declared by a court of competent jurisdiction to be illegal or unenforceable, that provision of the Memorandum of Understanding shall be null and void but such nullification shall not affect any other provisions of this Memorandum of Understanding, all of which other provisions shall remain in full force and effect.

SECTION 28. **ZIPPER CLAUSE**

Although nothing in this Memorandum of Understanding shall preclude the parties from mutually agreeing to meet and confer on any subject within the scope of representation during the term of this Memorandum of Understanding, it is understood and agreed that neither party may require the other party to meet and confer on any subject matter covered herein or with respect to any other matter within the scope of representation during the term of this Memorandum of Understanding, except as noted below.

During the term of this Memorandum of Understanding, the parties agree to meet and conduct dialog in good faith, with an intent to develop and adopt a mutually acceptable policy on each of the areas of organizational interest listed below. The Authority will provide timely (at least two weeks) notification of proposed meeting dates and times on the various issues, and the Association will either provide a representative or representatives to attend, or will promptly propose a timely alternative meeting date and time. Although the initiative for developing these organizational policies is the Authority's, both parties will make reasonable proposals and provide operationally and administratively feasible options in order to advance the process of adopting mutually agreed-upon policies to address the following areas of interest:

- Wellness Program

SECTION 29. **DURATION**

This Memorandum of Understanding shall be effective July 1, 2021, except for those provisions of the Memorandum of Understanding which have been assigned other effective dates as hereinabove set forth and shall remain in full force and effect to and including June 30, 2025, and shall continue thereafter from year to year unless at least one hundred and twenty (120) days prior to the first day of July 2025, or to the first day of

July of any subsequent year either party shall file written notice with the other of its desire to amend, modify, or terminate this Memorandum of Understanding.

IN WITNESS WHEREOF, the parties hereby have executed this Memorandum of Understanding this 12TH day of August, 2021.
